This entry is collage and coloured pencils.
"It's the first Christmas" (Age 7)

This is a collage. "It's Father Christmas with a drink, cupcake and a lantern."

Hordle Primary School

We had a wonderful time creating our Christmas cards. We wanted to embody an 'eco' theme, so the vast majority of materials used to create these collages came from the children's recycling and scrap stores. We used different materials and mediums to create unique and diverse textures to build and layer the final image.

In addition to the single entries, I have attached a collage of nine stars as a separate entry. This one we have titled 'A starry sky'. It represents us as a team and we also liked the connotation that it represented different stars from different perspectives all over the world.
