

Christmas / Festive Images

Hampshire Schools Challenge

2023

Jayne Stillman
November 2023
Final version

© Hampshire County Council

Schools were invited to create festive greeting images that would be used by the Children Services Directorate to send Christmas messages to schools in Hampshire and the Isle of Wight and for HIAS colleagues in 2023.

Artwork is by primary, secondary and special school children. The selection of work was by children, and they considered the age range, visual appeal, use of skills and materials, creative ideas and the message in response to the brief.

We hope that you enjoy the exhibition and that you might be inspired to participate in the 2024 exhibition.

Congratulations to the artists of the selected images.
