

Termly Art Support Group Workshops

These termly workshops offer a valuable opportunity for teachers to participate in practical activities and meet other teachers to share ideas and thoughts about art in the classroom.

Topics for the year:

Autumn: Sculptural hangings

Spring: Block printing

Learning outcomes:

- To use different skills, techniques, and materials in practical art workshops.
- To use a sketchbook as a research tool – to explore, experiment, organise and store information, and reflect a learning journey.
- Develop an appreciation of a progression of skills related to the theme of the workshop session.
- Have ideas for developing practical tasks into planning and considerations for teaching and learning in the primary classroom.
- To feel more confident and able to model skills and thinking in art with children and colleagues.

Delegates should book for both the Autumn and Spring term workshop and bring their sketchbooks to both sessions.
