

# Art Support Workshops 2024-25

These termly workshops offer a valuable opportunity for teachers to participate in practical activities and meet other teachers to share ideas and thoughts about art in the classroom.

**Spring topic** – Geometric patterns and collage

## Learning outcomes:

- To use different skills, techniques, and materials in practical art workshops.
- To use a sketchbook as a research tool – to explore, experiment, organise and store information, and reflect a learning journey.
- Develop an appreciation of a progression of skills related to the theme of the workshop session.
- Have ideas for developing practical tasks into planning and considerations for teaching and learning in the primary classroom.
- To feel more confident and able to model skills and thinking in art with children and colleagues.

Delegates should bring their sketchbook to their session.
